Put Before You.

Don't Forget to Register.

The voters of this city should not forget to have their names put on the registration books before October 25. Everybody who wishes to vote must register. Do not think for a moment that it is all right because you have registered prior to this year. The electoral board ordered a new registration out and out, and all the old registration books will be destroyed. So far only about 1,500 voters have registered out of about 4,000, and now only fifteen days remain in which to have your names registered. You had better attend to this duty to-day; to-morrow you may forget it. In the first ward you will find the registrar, O. D. Darr, at Roberts' store, corner Commerce and Campbell streets, opposite the courthouse; Second ward, Lee H. Simmons, registrar, at 17 Campbell ave.; Third ward, J. L. Kelley, registrar, at 423 Commonwealth ave., after 5 o'clock p. m., works in the Norfolk and Western offices; Fourth ward, Edward White, registrar, at 108 South Jefferson street; Fifth ward, M. P. Scott, registrar, at Bohn's store, Park street.

Death of R. H. Cottrell.

The many friends of Richard H. Cottrell, lately a resident of this city, will be pained to learn of his death, which occurred at the home of his sister, near Lynchburg, on the morning of the 9th inst. Mr. Cottrell was a successful business man of Richmond and moved to Roanoke about twelve years ago. He was a man of great integrity and possessed a kind and genial manner that won for him many friends. He was twice married. His first wife was Miss Mary Laughton, of Richmond. She was a lady of marked intelligence and fine Christian character and was spared to him nineteen years. Their married life glided happily and prosperously and their union was blessed with eight children, four of whom survive them. Later in life he was married to Miss Josephine Patterson, of Richmond. Mr. Cottrell for a number of years was a consistent member of the Baptist Church. In later years his health failed him and in other ways he was greatly afflicted, but he bore all his troubles with Christian grace and fortitude, and when death came he was resigned and peaceful. In his last illness he was surrounded by all his children, his sister and two favorite nieces, and loving hands laid him tenderly to rest.

Revelry.

A good interest is being manifested in the revival services at Grace Church, corner Fourth avenue and Third street, n. e. To-night at 7:30 o'clock the sermon will be on "The Great Supper;" text, "Come, for all things are now ready." Sunday afternoon at 3 o'clock there will be a meeting for men only, at which time the pastor will preach from the text, "Whatsoever a man soweth, that shall he also reap." Sunday evening at 7:30 o'clock sermon from the text, "Tolke; thou art weighed in the balances and found wanting." Services every evening during the coming week at 7:30 o'clock.

In the Police Court.

The fines in the police court yesterday morning amounted to \$5, of which amount only \$5 was paid. John Driscoll, white, was assessed \$1.50 for a plain drunk. An unknown colored woman was fined \$5 for being drunk and loitering on the streets. Dave English, colored, for carrying concealed weapons, fined \$10 and sent on to the grand jury. Allen Hunt fined \$5 on the charge of vagrancy. Sam Clayton, colored, was bailed on his own recognizance on the charge of disorderly conduct.

An Interesting Service.

An interesting service was conducted at the United Brethren Church last night. The subject from which the pastor preached was, "Son, Remember." Since the beginning of the revival services in that church quite a number have manifested a desire to be saved. There is a good attendance on the part of the ladies, but owing to the fact that the choirs are working until 10 o'clock at night, large numbers of men cannot attend.

Broke His Wheel.

Messrs. W. B. and Roy Palmer and O. G. Slenker, of Snowville, who came down to visit George W. Ammen on their wheels, returned home yesterday. The Messrs. Palmer made the trip on their wheels, but Mr. Slenker had the misfortune of breaking one of the pedals to his wheels, which necessitated his going through on the train. He said he had the consolation of knowing that he would not have to pull the Alleghany mountains on the return trip.

Railroad Y. M. C. A. Meeting.

The meeting at the railroad department Y. M. C. A. in Northwest Roanoke on Sunday, October 13, will be for men only. The address will be by William Lunsford. Subject: "The Red Signal." Prof. P. W. Bush and wife, the sweet gospel singers, who are to assist Drs. Wharton and Barron at the First Baptist Church in a series of meetings, will arrive in Roanoke to-day, and will have

a rehearsal to night at 7:30. All who will help in the singing are earnestly requested to be present. The new church will be heated.

Musical Entertainment.

A musical entertainment was given last night by Mrs. Ella Gottschalk-Seeligson, at 18 Seventh avenue s. w., in honor of the Misses Reba Calloway and Mary Whaley, of Hollins. Among the ladies present were: Misses Whaley and Calloway, Miss Stras, Misses Crawford, Mrs. Hilleary, Mrs. Massie, Miss Lizzie Taliaferro, Miss Samuels, Miss Coe and Miss Hippey. The feature of the evening was the excellent music furnished by Miss Whaley at the piano and W. Walley Davis with the violin. At 11 o'clock elegant refreshments were served, which, with music, dancing and pleasant conversation, made up an evening the delights of which will long be remembered by all present.

Friendship Fire Company.

The Friendship Fire Company's headquarters are as neat and comfortable as can be found in any city. Their hall is spacious, handsomely furnished and well suited for the pleasant social sessions often held there by the firemen. The lodging rooms are so constructed that almost as soon as the alarm is sounded they are in front of their intelligent horses, Dexter and Bert, and soon ready for a rush to the fire. The Fireships are not only well equipped for their work, but have gained all that practice and experience in their calling can insure them.

A Suitable Present.

City Sergeant T. R. Tillett has presented the two railroad policemen, Officers Vest and Ware, each with a beautiful, nicely finished rosewood baton. The officers appreciate the gift very much and wish to return thanks to Mr. Tillett through the columns of THE TIMES.

In the Courts.

Nothing of importance was transacted in the hustings court yesterday. The day was taken up in calling and continuing cases. In the circuit court the case of the Traders' Loan and Trust Company vs. Tanner and Valden was tried, and a verdict rendered in favor of the plaintiff. The defendants demurred to the evidence.

J. T. Hall returned from Christiansburg yesterday and reports that the people of Montgomery are enthusiastic over the bright prospects of the Citizens Ticket. The best informed think the Citizens Ticket will win by a majority of 500 votes in Montgomery.

To Play Football.

The Alleghany Institute football team will go to Salem to-day to play a match game of football with the Roanoke College team. The game will take place on the college athletic grounds.

NORWICH LOCK WORKS.

Quarterly Report of Major M. W. Bryan, Trustee.

Major Malcomb Bryan, trustee of the Norwich Lock Works, in his quarterly report dated October 10 says orders are received at the works aggregating \$5,000 per month and that they are filled as rapidly as possible. There are now on the books unfilled orders to the amount of \$3,000. Superintendent Sanderson was very successful in his trip to Western cities during August in securing orders for work, but did not effect many sales of manufactured stock on hand at the time of the assignment of the works.

Another effort, however, will be made to move these goods during the coming quarter. The receipts from sales of merchandise from June 10 to September 30, 1895, amounted to \$13,149.68, and the disbursements during the same period were as follows: Paid for labor, salaries and traveling, \$8,144.56; for merchandise, including fuel, freight and hauling, \$3,424.92; insurance and back taxes, \$741.50; other expenses, \$780.91; total disbursements, \$13,091.89; cash balance on hand \$57.79.

Nervous Prostration

Complete Recovery by the Use of

Ayer's Sarsaparilla

"Some years ago, as a result of too close attention to business, my health failed. I became weak, nervous, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once,

and gradually increased my weight from one hundred and twenty-five to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ayer's Sarsaparilla. I believe my children would have been fatherless to-day had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much."—H. O. HINSON, Postmaster and Planter, Kinard's, S. C.
